DESCRIPCION

Un replicante “FALKE” dañada.

Dentro de una cámara de crio-preservación en suspensión.

Con una grave herida en el brazo izquierdo, fracturando el cubito y el radio debido a un incidente en zona minera de S-23 Sierpinski, durante una inspeccion y se haya bajo bio-reparaciones tras el daño sufrido.

Esta Replika se utiliza en todas las instalaciones AEON de la Nación Eusan como comandante de las fuerzas de seguridad Protektor de estas instalaciones.

(Referencias a: SIGNALIS y Blade Runner)

INTENCIONES

Representar a la replika en una pose de soberbia, como si mirase a todos por encima del hombro. Ya que el personaje en el esta basado, es considerada una deidad.
